having sworn falsely while testifying be-

not testify against a witness who swore  
falsely in the grand jury room. From

Jackson and liberates Scowden from  
prosecution. It was read by Justice  
Holt.

## "Seeing is Believing."

And a good lamp  
must be simple; when it is not simple it is  
not good. Simple, Beautiful, Good—these  
words mean much, but to see "The Rochester"  
will impress the truth more forcibly. All metal,  
tough and seamless, and made in three pieces only,  
it is absolutely safe and unbreakable. Like Aladdin's  
of old, it is indeed a "wonderful lamp," for its mar-  
velous light is purer and brighter than gas light,  
softer than electric light and more cheerful than either.

Look for this stamp - THE ROCHESTER. If the lamp dealer hasn't the genuine  
Rochester, and the style you want, send to us for our new illustrated catalogue,  
and we will send you a lamp safely by express—your choice of over 2,000  
varieties from the Largest Lamp Store in the World.

ROCHESTER LAMP CO., 42 Park Place, New York City.
